

TURKEY EUROPE FUTURE FORUM

CALL FOR APPLICATION 2018 „RETHINK EUROPE'S FUTURE“

Apply Now for July 1-8, 2018 in Paris and Berlin!

Which scenario for the future of the post-Brexit EU will prevail? Will Emmanuel Macron's pro-European tendencies lead to the strengthening of the Franco-German axis many have been awaiting? What will be the official German position in the aftermath of the post-election standstill? Will on the other hand illiberal tendencies in some member states gain momentum? What consequences may the changes within Europe's framework have for neighbours and accession candidates, especially Turkey? These questions are at the core of our Forum 2018 for which you can apply now.

The objective of the eight-day young leader's programme is to strengthen the ties between future decision makers from Turkey and Europe with a view to leveraging European discourse and creating a network based on mutual trust. In workshops, lectures and intercultural trainings, the participants share their sector- and country-specific perspectives and learn from each other.
